now on our counter in the Garment Department over was at one third, half and even less than half price in some innances. Among them are Black Taffeta Silks, White Taffeta Silks, White Nets, Black China Silks, Plaid Silks, Linens, Pongees and White China Silks. All are more or less tumbled and of course broken in sizes. but good for twice the money they are marked. Better look them over,

## PUNJAUB SILK

In offering to you Punjaub Silk we believe we're giving you the best silk value that can be bought. "Punjaub" is a silk strengthened by a mercerized long-fibre Egyptian cotton thread, which gives it its wearing and washing qualities without detracting in the least from the silken quality and beauty of the fabric. It will wear three times as long as the best China silk and doesn't cost half as much. It will not crack, it will not wear to slits or pin-holes. In weight it is far superior to any other similar fabric. Eight yards of Punjaub weighs as much as twelve vards of its nearest imitation. This insures the wearer against the slimpsey effect of the fabric affer washing. Comes in beautiful shades of brown. navy, receda, red, jasper, pongee, light blue, pink and black.

27 Inches Wide, 48c Per Yard

## BARRE SHOE COMPANY

Carpenter-Morton Roofing can be used with very satisfactory results on either a flat roof, slanting roof or peaked roof. It is a non-conductor of heat and cold. The upper rooms of a dwelling are cooler in summer and warmer in winter than when other roofing materials are used. Mr. R. L. Clark carries a full stock. Booklet and sample furnished free.
